

SWECHA

15 DAYS SOFTWARE INDUSTRY ORIENTED TRAINING CAMP (WORKSHOP)

18-06-2013 to 02-07-2013

Venue :

JYOTHISHMATHI INSTITUTE OF TECHNOLOGY AND SCIENCE

Nustulapur, Karimnagar - 505 481

“SWECHA 15-DAY SOFTWARE INDUSTRY ORIENTED TRAINING WORKSHOP” for Students

**Organized at Jyothishmathi Institute of Technology & Science
from 18th June to 2nd July 2013**

A “15-day Software Industry Oriented Training Workshop” will be organized by **SWECHA**, a non-profit organization based in Hyderabad affiliated to the FSMI(Free Software Moment of India) for Degree, Post-Graduate & Engineering students of Karimnagar District & surrounding areas at **Jyothishmathi Institute of Technology & Science, Karimnagar** from 18th June to 2nd July 2013 on Free and Open Source Software(FOSS) technologies.

Resource persons from the Industry and Academia will impart training on making computer suites, software development, multimedia, mobile computing, web technologies and collaborative computing. Students with computer background will be at an advantageous position. It is extremely important for Engineering students and other technical persons to not only learn technologies but also understand the growing importance of freedom to pursue technological research & education.

This widely acclaimed Workshop will be inaugurated by **Chief Guest of the Inaugural function Prof. A. Vinay Babu, Principal, JNTU Hyderabad** on 18th June at 9.30 am and **Prof. L. Pratap Reddy, Director R & D Cell, JNTU Hyderabad** will be the **Guest of Honour** at the inaugural function. This workshop will be attended by more than 500 students of Degree, Post-Graduate & Engineering colleges of Karimnagar District & surrounding areas. This 15-day workshop aims to impart training for students on Free and Open Source Software(FOSS) technologies and provides a platform for them to interact and exchange their ideas with experts in this field.
