

ABOUT THE INSTITUTION

Jyothishmathi Institute of Technology & Science (JITS), Karimnagar was established in August 1997 as a self-financing Engineering College by Shalini Vidya Samstha, Karimnagar under the Chairmanship of Sri. J. Sagar Rao who has vast experience in successfully running the Jyothishmathi Group of Institutions in Karimnagar. The Institute is approved by the All India Council for Technical Education (AICTE), New Delhi and affiliated to JNTUH, Hyderabad. The College is situated in a serene and picturesque location in an area of 25 acres, overlooking the water body of Lower Manair Dam near Karimnagar town. The College is easily accessible by road and is about 8 kms from Karimnagar Bus-station, and about 150 kms from Hyderabad, by the side of Karimnagar-Hyderabad High-way. The College Campus is located in the midst of vast expanse of greenery.

During the last 21 years, this College has made rapid progress and has developed into one of the very large and foremost Engineering Colleges in Telangana State, offering the following programmes: Five B.Tech. programmes - Computer Science & Engineering (CSE), Electronics & Communication Engineering (ECE), Electrical & Electronics Engineering (EEE), Civil Engineering & Mechanical Engineering, and six Post-Graduate Programmes – MBA, M.Tech.(Computer Science & Engineering), M.Tech (Power Electronics), M.Tech (Computer Networks & Informaton Security), M.Tech (VLSI), M.Tech (Embedded Systems), and Second shift Polytechnic Diploma programmes in Computer Engineering, Electronics & Communication Engineering, and Electrical & Electronics Engineering.

JITS CSI Student Chapter

The CSI Student Chapter of Jyothismathi Institute of Technology and Science, Nustulapur, Karimnagar has been registered during the academic year 2019-2020 and comes under the Region VII of CSI.

The College owes an Educational Institution Membership of CSI and the membership has been renewed every year. At present the chapter has around 110 student's members from the departments of CSE, CSI Student Chapter organizes various events like Conference, Faculty Development Programme, Workshop, Seminar, Symposia and Guest Lectures periodically with the motivation of imparting quality par with elite standards and to make our students as visionary leaders in the society.

EVENTS DESCRIPTION

Fill and Flair:

Now a days IT Industry is concentrating on technical knowledge. Fill and Flair is a technical event in which we have three categories.

- ◆ Technical missing letters
- ◆ Identify the company logos and tag lines
- ◆ Technical connecting pictures

C-Collesium:

C-Collesium is a event in which multiple choice questions are asked about the C -language.

Zig-Zag:

This event based on C programming language in which we moved a little forward i.e. instead of asking the basic questions to the programming part. Zig Zag is the event which is wrongly a coded & jumbled and the participant has to execute the program in correct order.

COMPUTER SOCIETY OF INDIA (CSI)

Formed in 1965, the Computer Society of India(CSI) has been instrumental in guiding the Indian IT industry down the right path since its formative years. The mission of the CSI is to facilitate research, knowledge sharing, and learning and career enhancement for all categories of IT professionals, while simultaneously inspiring and nurturing new entrants into the industry and helping them to integrate into the IT community.

The goal of computer society of India-Chennai chapter is to facilitate knowledge sharing among IT practitioners and researchers and to nurture students of this field and new entrants in the area of information and communication technology. It has direct links with the members. For the benefit of numbers, the chapter organize monthly technical meetings, product presentations, conferences etc.The chapter activities are managed by a committee of elected members headed by the chairman. The committee has members each taking care of the activities relating to the divisions of the society.
