REPORT

AWARENESS PROGRAM ON ROAD SAFETY ON 01-11-2014

An awareness program on Road Safety was organized by NSS, in association with Road Transport Office at Jyothishmathi Institute of Technology & Science. A total of 214 members (12+202) faculty and students had participated in this program.

In this connection, the Karimnagar Road Transport Officer made students aware of the thousands of people who lose their lives in road accident. The main reason behind spreading traffic rule awareness is to make people realize the importance of life and dangerous consequences of ignoring the traffic rules. The team also gave information about "Motor Vehicle Act and traffic rules".

In this regard Principal of Jyothishmathi Group of Institutions said that this interactive session for creating traffic awareness among students was very important as it makes them aware about the importance of their and others lives. NSS Coordinator Mrs.Radika Reddy, Heads of Various Department, Faculty and Students have participated.
