ABOUT JITS, KARIMNAGAR

Jyothishmathi Institute of Technology and Science began its journey of excellence in the year 1997 as a self-financed engineering college under Shalini Vidya Samstha, Karimnagar with a vision of providing technical education to the rural students by our visionary chairman Sri. Juvvadi Sagar Rao Garu. JITS is approved by the All India Council for Technical Education (AICTE), New Delhi, Accredited by National Assessment and Accreditation Council (NAAC) with 'A' Grade and is affiliated to Jawaharlal Nehru Technological University (JNTU), Hyderabad.

The institute is located in a lush green campus of around 65 acres with all infrastructural facilities and state-of-the-art laboratories. Well qualified and experienced faculty are the strength which made our institution to gain high reputation by bagging 6 gold medals at JNTU Hyderabad and stood as one of the top institution in Telangana.

We offer 6 UG programmes with an intake of 600, 2 PG programmes in ECE and CSE departments, MBA and Diploma programmes in 3 disciplines of ECE, CSE & EEE. Our institution is recognized as a Research Center in CSE department by JNTU Hyderabad.

Jyothishmathi has made meteoric progress during the last 24 years in teaching-learning process and thrived into one of the top B.Tech colleges in Telangana State. The management of Jyothishmathi is zestful and enlightened. It believes in providing a quality and holistic engineering education through a combination of experienced faculty, innovative programmes & course work, industry and institute collaboration in providing research and employment opportunities on campus.

Jyothishmathi is driven by a brilliant team of faculty who contribute to an unparalleled reputation for balancing excellence in their fields with a dedication to their students. Many students secured University ranks bringing laurels to the institution. This institution is the most preferred choice of students, parents, faculty and industry and proved itself as a role model in Technical Education.

ABOUT sRjana NIRMAAN'22

sRjana NIRMAAN'22 is a Two day National Level Technical Symposium is being organized on “Recent Advances in IoT and Artificial Intelligence for Engineering Applications”. This technical symposium aims to bring students of all levels on to this platform to showcase their technical skills and innovative ideas across India. This platform helps the student to share their experiences, exchange new ideas for applying IoT & Artificial Intelligence in various domains and throw light on the key emerging topics for future directions. The participants are encouraged with merit certificate and assured prizes.

Papers on advanced technologies are invited in all aspects of IoT and Artificial Intelligence including but not limited to the following:

- ▶ Internet of Things (IoT) Challenges
- ▶ Artificial Intelligence Challenges
- ▶ Intelligent Monitoring Techniques
- ▶ Data Predictive Analytics
