DAY-1-WORKSHOP-31-05-2021.mp4

The slide features the VIT BHOPAL logo and the text 'CENTRE FOR INNOVATION IN TEACHING & LEARNING'. A 'Welcome' banner is at the top. The main title is 'Virtual Learning Practices'. The presenter is 'Dr. Lakshmi D', Assistant Director, Centre for Innovation in Teaching & Learning (CIT & L), Senior Associate Professor, School of Computing Science and Engineering (SCSE), VIT BHOPAL University. The slide includes several hexagonal icons: 'Why Digital Learning?', 'TPACK Framework Model', 'Types of Digital Learning', 'Art of Online Teaching', and 'Influences of ICT'. A video player interface is overlaid on the right and bottom, showing a progress bar at 9:49 / 2:13:27 and a speaker icon.

DAY-2-WORKSHOP-02-06-2021.mp4

The diagram illustrates the flow of information from the environment through memory systems. It starts with 'Information from Environment' (represented by a scientist at a microscope) leading to 'Sensory Memory'. From 'Sensory Memory', information is 'Transferred' to 'Short-Term Memory'. 'Short-Term Memory' can be 'Rehearsed' to stay in that state or 'Transferred' to 'Long-Term Memory'. Information can also be 'Retrieved' from 'Long-Term Memory' back to 'Short-Term Memory'. Both 'Sensory Memory' and 'Short-Term Memory' have a 'Forgotten' path leading away from the brain.

The video player interface shows a progress bar at 2:02:52 / 2:25:56 and a speaker icon.

Formative Assessment

- **Formative assessment**
- provides diagnostic feedback to students and instructors at short-term intervals (e.g., during a class or on a weekly basis)
- **should aim to improve students’ learning rather than audit**

The image shows a video player interface. The main content is a slide titled "Formative Assessment" with three bullet points. To the right of the slide is a small video feed of a woman with glasses, identified as "Lakshmi D Lakshmi". The video player controls at the bottom show a play button, a volume icon, and a progress bar at 10:57 / 2:08:33. There are also icons for closed captions, settings, a full screen button, and a share button.

DAY-10 WORKSHOP -24-06-2021. mp4

The image shows a video player interface. The main content is a Zoom settings window overlaid on a video feed of a woman with glasses, identified as "Lakshmi D Lakshmi". The settings window is titled "Settings" and has a sidebar with options: General, Video, Audio, Display Name, Chat, Background & Effects, Recording, Profile, Settings, Keyboard Shortcuts, and Accessibility. The "Background & Effects" section is active, showing a preview of the woman's video and several virtual background options. The video player controls at the bottom show a play button, a volume icon, and a progress bar at 10:18 / 2:26:06. There are also icons for closed captions, settings, a full screen button, and a share button.
