Event Description:

Webinar on FTCCI Internship awareness program on AI, IOT, Full stack Development, Block chain Technology was organized by department of CSE on **04-03-2024** (Monday) at our college by by Mr.Pankaj FTCCI executive member in AC seminar hall, was actively participated by CSE department students and coordinated by Dr R Jegadeesan Prof Head-CSE around one hundred and sixty-three students were participated in this event.

This event helped the students to:

- (FTCCI) - The Federation of Telangana Chambers of Commerce and Industry (formerly known as FTAPCCI) ISO 9001:2015 Certified

- Understand the basic concepts of AI, IOT, Full stack Development, Block chain Technology.
- Learn about the field of artificial intelligence encompasses computer science, natural language processing, coding, mathematics, data science, and many other disciplines
- Learn about the IoT stands for internet of things. Most simply, it refers to physical objects linked through wired and wireless networks
- Learn about the Full stack development is the process of developing both the frontend and backend of applications.
- Know how to choose appropriate tools what is block chain technology? Block chain technology is an advanced database mechanism that allows transparent information sharing within a business network. A block chain database stores data in blocks that are linked together in a chain.
