INSTUTION INNOVATION COUNCIL

The Institution Innovation Council is being formed at the institutional level comprising the following faculty members.

Sr. No.	Name of Member	Member Type (Teaching/ Nonteaching /Student/External Expert)	Key Role/ Position assigned in IIC
1	Dr M Manikandan	Teaching	President
2	Dr. R Jegadeesan	Teaching	Vice President
3	Dr.N Venkateswaran	Teaching	Convener
4	Dr. V Neelima	Teaching	Innovation activity
5	Dr. P Pranitha	Teaching	NIRF Coordinator
6	Dr. N Umapathi	Teaching	Start up Activity Coordinator
7	Dr. G Karthick	Teaching	Member
8	Dr. G Sridhar	Teaching	ARIIA Coordinator
9	Mr. CH Sajan	Teaching	Social Media
10	Dr. R.Rajesh Guna	Teaching	Internship Activity Coordinator
11	Dr. J L Rajashekhar	Teaching	IPR Activity Coordinator

The Charges of the Committee are the following:

1. To develop an environment that fosters innovative thinking and encourages students to tackle societal challenges with creative solutions.
2. To build a culture of entrepreneurship and equip students with skills and resources to translate ideas into successful ventures.
3. To connect academic knowledge with real-world applications, bridging the gap between theoretical study and practical implementation.
4. To forge partnerships with industry and stakeholders to provide students with opportunities for mentorship, internships, and collaboration on real-world projects.
5. To promote a spirit of innovation throughout the institution, celebrating creativity, risk-taking, and out-of-the-box thinking.
6. To create platforms for students to showcase their innovative ideas and projects, fostering recognition and boosting confidence.
7. To align innovation efforts with sustainable development goals, encouraging solutions that benefit the environment and society.

Roles and Responsibilities of Committee Members:

The committee bears the responsibility of nurturing a culture of innovation, aiming to instill a growth mindset that fosters creative problem-solving and encourages risk-taking. It is tasked with empowering students by providing entrepreneurial skills and resources to effectively transform ideas into viable ventures. Bridging the gap between theory and practice is a key focus, achieved through experiential learning initiatives.

Members of the committee are entrusted with sparking innovation through project-based learning and fostering collaboration with industries. Celebrating and showcasing student creativity is essential, accomplished through dedicated platforms and events. The committee further aligns innovation endeavors with sustainable development goals, ensuring a lasting positive impact.

Each committee member is essential in fulfilling these roles to collectively achieve the committee's charges and contribute to the institution's innovation and entrepreneurial objectives.

The president must promptly convene a committee meeting to discuss the implementation and execution of the tasks outlined above. The council should formulate effective strategies and prepare a detailed action plan, delineating each member's responsibilities for task accomplishment. Additionally, the president is encouraged to engage with students and parents to ensure the successful completion of these tasks.

NSS COMMITTEE

The NSS Committee is being reconstituted at the institutional level comprising the following faculty members of all Departments.

Sl.No.	Member Details	Role
1	Dr. P.Pranitha Assoc.Prof AI&ML	Coordinator
2	Mr. B Satish Chandra, Assoc Prof, ECE	Member
3	M.Sai Prasad, Asst Prof, AI&ML	Member
3	Mr. S.Chandrashekhar, Asst Prof, MECH	Member
4	Mr.K Bhaghya, Asst. Prof. Civil	Member
5	Ms.G Jagdeshwar, Asst Prof H&S	Member
6	B.Vijay IV year CSM	Student member
7	A.Venkatprasad IV year EEE	Student member
8	B.Rishikesh IV year EEE	Student member
9	P.Lahari III year CSE	Student member
10	P.Amulya, III year ECE	Student member

The main objectives of National Service Scheme (NSS) are:

1. To utilize engineering expertise to address community challenges, bridging the digital divide and ensuring access to information and education.
2. To Train students in leveraging technology for social good, encompassing the development of assistive devices and sustainable solutions.
3. To explore technology applications for disaster preparedness, mitigation, and recovery efforts, while encouraging the practical application of engineering knowledge to address diverse community needs.
4. To develop leadership skills among students and foster teamwork across diverse engineering disciplines to lead sustainable development projects and collectively address complex community challenges.
5. To equip students with the necessary skills and knowledge to respond effectively to emergencies and natural disasters in communities.

6. To promote national integration, social harmony, and ethical engineering practices, emphasizing environmental impact and social responsibility through innovative engineering solutions for diverse communities.

Roles & Responsibilities:

The committee should organize various Community reach programmes align with the objectives mentioned above. The committee should work with the motto "Not me But We" to render services and carry out awareness programmes and other activities to the society and strive to accomplish the vision of the institution. To ensure participation from all branches, student members will actively partner with student representatives from each branch to organize NSS activities.

The coordinator should convene a meeting of the committee in this week to develop strategies for carrying out the aforementioned objectives and to prepare an action plan outlining the strategies to be used to carry out the aforementioned tasks as well as the responsibilities. The minutes of this meeting and the action plan should be submitted to the Principal. At the end of the academic year, the coordinator shall submit an annual report along with all the proofs shall be submitted to the undersigned.
