Certificate Course on Artificial Intelligence under Infosys Foundation – Finishing school for employability Program

Jyothishmathi Institute of Technology and Science proudly hosted the **Infosys Foundation – Finishing school for employability** Program in Certificate Course on Artificial Intelligence (Microsoft Azure AI services) implemented by ICT Academy as part of the CSR initiative of Infosys foundation. A total of **66 students (CSE, CSM, ECE)** were trained extensively in Artificial Intelligence using Microsoft Azure AI Services spans a total of **100 hours**, comprising **80 hours of core technical skills** and **20 hours of soft skills** development held between **2nd July 2025 and 19th July 2025**.

The program was facilitated by **Mr. Madhu Sanjeevi**, AIML, Data Science, Security & AI Trainer from ICT Academy, who conducted full-time sessions, including **mock assessments, preparatory sessions, and project-based learning**. Students successfully completed their projects and examinations, securing certificates that recognize their skills in this emerging technology.

This training has proven to be highly impactful and beneficial for our students, equipping them with valuable knowledge that will enhance their career prospects. We sincerely appreciate the efforts of ICT Academy, Infosys Foundation, and **Mr. Madhu Sanjeevi** for empowering our students, and we look forward to many more such initiatives in the future.

We have successfully completed a 100-hour training program which is from Infosys Foundation (Finishing School For Employability) on Azure AI at Jyothismathi Institute of Technology and Science, located in Karimnagar, Telangana. The training was conducted from 2nd July to 19th July, and it witnessed enthusiastic participation from the students. They were highly engaged and showed great interest throughout the sessions, making the program impactful and rewarding for everyone involved.
